U.S. Patent and Trademark**

Sir:

In response to the Office Action mailed 2005, December 23. Applicant mailed the attached Papers, on June 23, 2006, to the Patent and Trademark Office but it appears that they were not received since they do not appear to have been recorded in the Patent Office's file for Patent Application 10/063,108. These papers are a three month request for extension, a certificate of mailing and a credit card statement. A copy of these papers is attached as well as a new credit card statement as credit card in the original filing has since expired.

Applicant is informing the Office of the previous mailing or transmission of the correspondence promptly after becoming aware that the Office has no evidence of receipt of the correspondence.

I, Jeffrey Furr, Esq., attest based on personal knowledge to the fact that the papers were timely filed per our standard procedures and included a certificate of mailing dated June 23, 2006 and deposited first class in the United States Postal Service on June 23, 2006.
